THE
GRiD™
WARRANTY

GRiD stands behind the quality and reliability of its products.

GRiD warrants this product to be free of defects in materials and workmanship for a period of 90 days after purchase. Defective products will be repaired or replaced at GRiD's option and expense during the warranty period.

In order to qualify for warranty service, you must complete and submit the attached GRiD warranty registration card at the time of purchase. When GRiD receives the warranty card, your name and your product's tracking number will be recorded in our warranty database. Should warranty service be required, contact the place of purchase or any authorized GRiD Service Center. When you call the GRiD Service Center you will be asked for your product tracking number. We will verify that your warranty registration is on file, and you will then receive warranty assistance or service.

You are responsible for removing any data or programs and keeping backup copies prior to returning products for warranty repair. GRiD authorized Service Centers are not liable for loss of data contained in any returned equipment.

This warranty is not valid if the products have been abused, misused, altered, or neglected.

EXCEPT AS PROVIDED ABOVE, GRiD MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Save this card for your records.

Warranty Registration Number 182246

Important: To validate your warranty, you must fill out and return this registration card immediately. Once your warranty is registered, you can receive warranty service at any authorized GRiD Service Center. When we receive your warranty card, we will periodically send you newsletters and information on new GRiD products.
